

## Deloitte Case Competition

On 27 April Deloitte Financial Advisory in Georgia organized the first annual Business Case Competition in Tbilisi. The event was held at Caucasus University and served to introduce students to the global practice areas of corporate finance and strategic consulting, and also to expose them to the real life business environment of M&A in Georgia.

Students currently in their 3rd and 4th years of study at major Georgian universities participated in the event.

Participants were assigned to teams and given a business case to solve and present to a mock board of directors.

The following students made up the winning team:

Giorgi Pasikashvili - Free University of Tbilisi

Salome Legashvili - Free University of Tbilisi

Kakhi Kakhiani - International Black Sea University

The winners will be offered an interview in Deloitte Advisory and will be exempt from qualification testing.

We congratulate the winners and wish them success in their future endeavors.
