American Councils for International Education is currently seeking host organizations for the Summer 2023 Iteration of the Alumni Internship Program for FLEX Alumni and YES Alumni from South East Europe and Senegal. The program is funded by the U.S. Department of State Bureau of Educational and Cultural Affairs (ECA) and implemented by American Councils. This program connects highly motivated FLEX and YES alumni with host organizations across the globe. While the interns gain hands-on internship experience, receive professional development trainings, and a stipend from American Councils, the host organizations receive talented and globally-minded interns to work on tasks of their choice.

Currently, American Councils is looking for host organizations from various industries to host interns, either in-person, hybrid, or online, during the summer period (May 15 - Oct 15, 2023). Host organizations can choose the length and work hours per week for their internship. American Councils

will carefully interview and select a well-qualified intern to work on a project of your design at your place of employment. As a host organization, you will be expected to provide instructions and guidance on a project or a task, meet weekly with your intern and attend a short launch event.

The deadline for registering to become a host organization is **February 26, 2023**. Please see the following survey to register: <https://www.surveymonkey.com/r/hostinternship>

Please reach out to Program Assistant Karina Vintere ([kvintere@americancouncils.org](mailto:kvintere@americancouncils.org)) or FLEX Alumni Coordinator in Georgia Mariam Oniani ([flex.alumni.ge@americancouncils.org](mailto:flex.alumni.ge@americancouncils.org)) if you have any questions.
